

## *Lovey is Now a Goddess*

Lovey was found sitting by the fence in the neighbor's yard. It was clear that she had no idea where she was or why she was there. She was certainly afraid for her future.

Wags opened our arms to her and she immediately went into a loving foster home. Soon after she was spayed and she was ready for her future. Little did she know that an amazing future was waiting for her.

Here is Lovey on Adoption Day with her new Mom and Dad.

### **UPDATE**

*Hi All!*

Lovey, now known as Hera (the goddess), is doing well. The photo is us waiting for the vet. She had an excellent check up. They just recommended checking her teeth again in 6 months to see if she would need a cleaning.

She is settling in now. She knows to find me in my office and will lay on my lap for hours. She has a bed for the car, one for the couch, and she sleeps at the foot of our bed. Although she sneaks to the top when we wake up.

She went to town with me today and watched carefully for my return during each errand. She sits on the console that Jon carpeted for her comfort and is very alert. We are starting to understand each other. She follows me around and wants to sit on my lap or be near me all the time. Today she was so excited to see me come back to the car she was jumping up and wanting to lick my face. She was very sweet.

*Thank you for such a perfect little goddess.*

## *HAPPILY EVER AFTER*

### ADOPTION DAY

Lovely Lola wasted no time hopping into her new dad's car...she was ready to go!

Lola's new dad, Matthew, says things are going great and Lola loves going to the park, enjoys her daily walks and already has a fun little 'doggy pack' with a couple friend's dogs.

Lola is even getting used to Freddie, the cat in the house...good girl Lola! Thank you Matthew for choosing adoption! Lola really needed you and Wags is so happy for you both!!

**ADOPT  
A PET**

Hello,

Our family adopted Jake, a Beautiful 8 yr old male English Setter from Wags. He is settling in nicely with our family, which includes a 10 yr old female English Setter, Lolly.

Jake is a snuggle-bug and spends all his time leaning or sitting on someone's legs. He loves going for long walks and is even willing to wear a raincoat to keep him dry.

He is a super star at his basic dog training course and is learning to walk on a leash, thanks to a gentle leader collar. We are so thankful that Jake is a part of our family.

Love  
The Lewis  
Family

### **WANTED: FOSTER HOMES**

One of the most valuable things you can do to help Wags to Riches in our mission to save animals in our community is to become a Foster. As a "foster parent" you provide a safe, loving place where the animal can stay until their forever home is found.

Wags pays all vet costs associated with animals in foster care, including immunizations, medications, and any needed vet visits.

Wags also provides for spay and neutering for all animals that are old enough prior to adoption. If you do not have a crate for the animal, we are happy to lend you one.

To learn more about how you can help save lives call our message line, 453-4155, and leave a message for Mary.

**For every one that you foster we are able to save one more.**

### Washington Federation Grant

Wags to Riches Animal Rescue has again received a \$5000 “We Love Our Pets” Spay/ Neuter grant from the Washington Federation of Animal Care and Control Agencies. These funds are to be used for the spay or neuter of companion dogs and cats of low income citizens in the Lower Valley. This program is not for feral dogs or cats nor does it cover any shots.

We are pleased to have this opportunity to lessen the new homeless dog and cat population. Last year Wags to Riches was able to encourage and pay for the spay or neuter of 298 dogs and cats with grants and donations. Had they been born only about 8% of them would have found homes. It is more likely that many of them could be a part of the 12,500 homeless animals that are euthanized, nationwide, every hour.

If you or someone you know lives in the Lower Valley and needs help with the cost of Spaying or Neutering a companion dog or cat please contact Wags on our message line, 509-453-4155.
